

# UCC Office Admin Network

April 2024

Dear Ministry and Personnel Committees or Chairperson of Church Boards:

## RE: **OCTOBER 2024 ADMINISTRATORS CONFERENCE**

As we wind down from the busy Lenten Season, our Office Administrators are as busy as ever, working in the background making sure that everything runs smoothly. While other ministry people may be able to take a break as things wind down for summer, our Office Administrators will be gearing up to get things ready for next September. They will be busy preparing contracts, ordering supplies, planning fall events, and making sure that everything is ready for Advent planning. Without our Office Administrators, our Church's would not function, and often the work they do is invisible.

The United Church Admin Network is busy planning the details for our Office Admin Conference. This is open to all United Church of Canada Office Administrator's across Canada. This event is an opportunity to celebrate the work that they do, network with other office administrators, as well as provide some workshop and learning opportunities.

This event will be held at Home Inn & Suites in Saskatoon, Saskatchewan from Tuesday October 1 to Friday October 4. The cost for this event has been subsidized in part by some of the Regional Councils, and we are so grateful for their support. The event will be at a cost of:

- \$300/person if no accommodations are required
- \$475/person for a shared accommodation with one other person
- \$650/person for a private accommodation

The cost for the event will include 7 meals, accommodations at Home Inn & Suites, all workshops, activities, and "swag".

Church administrator's work hard each and every day. We are often isolated and do not have the opportunity to network with each other, or to learn skills that can help us improve our efficiency and knowledge in our positions.

## UCC Office Admin Network

We know that Church's throughout the region are in various financial positions, however, we believe that the nominal fee and support for this event will go a long way.

Thank you for your consideration of this request.

If you have any questions or concerns, please feel free to reach out.

Thank you,
